

## CV ALESSANDRO VERRA

### 1. Curriculum vitae et studiorum

#### Scientific education and job positions

- Born in Cuneo, Italy, on September 12 1950.
- Degree in Mathematics at University of Torino.
- Long stages: University of Michigan and Erlangen-Nuernberg Universitaet.
- Assistant and then associate professor at University of Torino until 1987.
- Professor of Geometry since 1987: University of Naples (1987), University of Genova (1988-1992), University La Sapienza (1992-1993).
- University Roma Tre 1994 - 2020.

#### Recent scientific services and academic honors

- Emeritus, University Roma Tre since March 2021.
- National member of the Academy of Sciences of Torino.
- Detached for research activity at Centro B. Segre of Accademia dei Lincei, 2014-17.
- Conference for his Sixty Five, Humboldt University, Berlin, October 6-9, 2015.
- Visiting professorship 2018 at BMS, Berlin Mathematical School.
- National coordinator of seven funded PRIN projects: 2000-2019.
- Scientific Committee of UMI, Unione Matematica Italiana , 2003-2018.
- Scientific Committee of INdAM, Istituto Nazionale d'Alta Matematica, 2007-15.
- Editorial Committee for UMI of the selected Fano papers on line, 2012.
- Scientific Committee of the annual conference INdAM Day, 2008 -15.
- Editorial Committee of Springer-INdAM Series 2012-16.
- Editorial Committee of Rendiconti di Matematica e delle sue applicazioni, 2004 - .
- Editor of books or special issues.
- Board of the Ph.D. School in Mathematics of Roma Tre 2005-15.
- Board of the Ph.D. School in Mathematics of Milano-Bicocca and Pavia, 2016-20.
- Chairman of the Department of Mathematics 1998-2008.
- Member of the Academic Senate of University Roma Tre 1998-2012.
- Evaluation of scientific activities and structures.
- Referee of research proposals and Ph.D.thesis.
- Referee for mathematical journals or books.

Invited speaker to conferences and advanced schools

- Algebraic Geometry in Ischia for Alexandru Dimca's retirement, Ischia 2021
- Discrete groups and Moduli, Nagoya University, Nagoya, Japan 2019
- Rationality of Algebraic Varieties, Schirmonnikoog, Holland, 2019
- A journey through projective and birational geometry, University of Trento, 2019
- Classical Algebraic Geometry, MFI Oberwolfach 2018
- Differential, Algebraic and Topological Methods in Complex Algebraic Geometry Cetraro, 2018.
- Alessandro Terracini (1889 - 1968), Academy of Sciences, Torino, 2018
- Workshop on Complex Algebraic Geometry, University of Barcelona, Barcelona 2018
- Puissance des gestes, intuition diagrammatique et phénoménologie de l'espace, Paris 2018
- The Legacy of C. F. Gauss, Yau Center of Tsinghua University, Sanya, China 2017
- Periods and Ricci flat manifolds, Banach Center, Warsaw, Poland, 2017
- 7-th EMS Conference Algebraic Geometry, satellite Conference, Hannover 2016
